Three Injured In Collision At Minden

MINDEN (ENS) — A two-car head-on crash late last Saturday near here sent three persons to hospital. However, they were released following treatment.

Provincial Police said a car driven by Jack Fieullah of Toronto was travelling north on Highway 121 when the driver lost control and the vehicle crossed the road and collided with an on-

coming car driven by David Leslie of Scarborough. Damage to the vehicles was estimated at \$1,200.

Mabel Germyn of Highland Grove and Arthur Villa of Toronto were drivers of cars involved in an accident on Deer Lake Rd., north of here on Sunday. No details on the crash were available.

Walling's Dairy Goes Franchise

For the past forty years Walling's Dairy has operated as a private enterprise, serving the area faithfully and well with a full line of Hi-grade dairy products. During those years many changes of improvement have been made, from the bottling of raw milk by using a milk-can with a pouring spout to pasteurization and machine-bottling, then to clarifying and homogenizing of milk. It has been the policy of this dairy throughout the years

to process and deliver a top quality of milk products.

Today, due to the lack of raw milk supply in the area and the many and costly changes in packaging, Lester Walling, owner of your local dairy, has decided to acquire a franchise from Silverwood's Dairies, a nationally known all-Canadian company.

Mr. Walling feels assured this is the best way to adequately serve the present and future needs of the community.

DROPS DEAD DURING HUNT

Joseph Abernathy, 57, of Muskoka Road, Orillia, hunting in Longford Township near Minden last Friday morning at 10:30 dropped dead of an apparent heart attack just as he was shooting at a deer.

Haliburton Police said the body was taken to Orillia by plane.

Fighting Charge Dismissed

MINDEN (ENS) — Glen Richardson, 18, of Minden, was cleared of a charge of causing a disturbance by fighting when he appeared in Magistrate's Court here recently.

OPP Constable John Parsonage said he saw three persons who he identified as the accused, Gerald Bull and Raymond Trumble, swinging their arms on the village main street. He said as he approached the scene he trio ran down an alley.

Bull and Trumble, who have been dealt with by the Court at a previous hearing for their part in the incident, said Richardson had no part in the fight.

Magistrate Ian Munro said the Crown Attorney had not proved its case and he would therefore dismiss the charge.

Hunter Still On Critical List At RMH

LINDSAY (ENS) — A Lindsay man injured in a hunting accident near Norland last Thursday remains in critical condition at Ross Memorial Hospital.

Dwight Brunwell, 24, of 39 Karwartha Dr., was shot above the right knee while hunting with a party in the Little Britain area. He was carried one mile out of the bush and taken to a doctor's office at Cobocok before being transferred to hospital.

An urgent appeal for blood donors was issued following Friday's Remembrance Day parade. The appeal resulted in several Legionnaires donating blood.

SPORTS FLASH

We have just been informed that the CKVR No Stars and the Haliburton Old Timers have scheduled another exhibition hockey game for the Haliburton Arena. The date will be announced later.

Haliburton Church Burns It's Mortgage

The Full Gospel Lighthouse is very pleased to announce that it is completely debt free at the present time.

Memory travels back to early 1962 when the announcement of intention to build was made. Many local residents felt that here was a real "pie in the sky." Now exactly four years after moving into the church (Thanksgiving Day) the debt is cleared.

Although the building has not yet been finished it stands as a testimony of careful planning, dedicated giving, and hard work. The building and land now represents an investment of some \$12,000. (When it is finished it will have cost \$15,000.) Other than a small grant from sister

churches, the money has been raised locally, mostly by the tithes and offerings of its members.

It is true that the size of the congregation and its financial ability has made it necessary for Pastor McNeill to find secular employment as County Librarian. The easing of our financial responsibilities has now enabled us to secure the pastoral services of an assistant, Pastor Keith Putman who will be coming to Haliburton in the new year.

With a growing Sunday School, a debt-free church building, capable ministry, and dedicated members the future of the Full Gospel Church looks bright indeed.

George Brennan Addresses Lakeview School Students

The following address was delivered to the students at Lakeview Public School by George Brennan on Thursday, November 10th.

Forty-eight years ago an Armistice was signed which brought to an end the great war which was the worst kind of war that the world had ever seen. This was no charge of the light brigade at Balaclava — there was no glory, just mud and blood, lice, rats, poor food, when you could get it, and everything to make life miserable.

Of the 600,000 Canadians who served, 80,000 were killed in action and another 138,000 wounded. Many of those who were killed have no known graves and while some were eventually buried in foreign countries, a great many were blown to pieces and their bodies were never found.

In memory of these men who gave up their lives to protect the freedom which we Canadians enjoy today, War Memorials and Cenotaphs were erected across the land, and so in 1920 on Highland Street in Haliburton a piece of land was appropriated and a Memorial erected. The names of those who fell in battle were carved in the stone for all to see. This was a cobined project of the Women's Institute, a patriotic association, and the Municipal Council. It was considered a hallowed ground — a symbolic cemetery where every year at 11 o'clock in the morning of November 11th, wreaths are laid and in

homage to those who paid the supreme sacrifice in two World Wars, the Haliburton Branch of the Royal Canadian Legion conduct a ceremony of remembrance.

Throughout the years great efforts have been made to beautify and keep up this hallowed ground, but unfortunately vandals have thoughtlessly desecrated and destroyed the good works that have been done.

While we must continue to honour the dead of two World Wars, we must also do a duty we owe to the hundreds of thousands of men who were wounded and returned to their homes, broken in health, to their dependents and the widows and orphans of those who did not return; that is why we sell Poppies and Wreaths during the Week of Remembrance. The Poppy was chosen as the flower of remembrance because on the battle ground of Flanders and France, even though nothing else could grow, the blood red poppy grew in great profusion as a symbol of hope for the future. Money derived from the sale of these Poppies and Wreaths is used exclusively to help those locally who need aid.

In conclusion I would ask you to think reverently of what this little park represents in sacrifice so that you may grow up in peace and comfort and freedom in this great land of ours. If you look upon it as a Cemetery where your loved ones are buried I am sure you would not want to see it destroyed.

LETTERS TO THE EDITOR

We continually receive Letters to the Editor on various subjects by readers who wish to express their opinion relating to matters affecting this area. This is fine and we are glad to have the opportunity of printing same, but it has always been the policy of the Echo to print only letters that are signed. Those letters which are not signed are consigned to the waste paper basket.

that some of these books had been in circulation as recently as June 1966.

Why could not at least some of these books have been sent to the Home? Such incidents make one wonder how many similar wasteful acts occur. An explanation would seem to be in order.

H. G. Feasby.

November 15, 1966.

The Editor,
Haliburton Echo.

Dear Sir:

In our 1966 Tax Bills, among other items there is one for the Minden Public Library. We are also asked through the press for donations, including books for the Senior Citizens' Home. Such matters do not go very well with the discovery, made recently, by a taxpayer who went to the Haliburton dump to dispose of some garbage. He found there a large number of books from the Minden Public Library.

His astonishment and curiosity were so great that he examined the books, and reports that most, including novels by Zane Grey, were in quite good condition. Also the rental cards, usually kept in the back of the book, showed

Dear Sir:

I am pleased that the citizens of Haliburton County are becoming aware of the problem that may face the students desiring to take French in High School in the fall of 1968.

From the Curriculum I-15A(8) issued by the Department of Education it is quite clear that the French course of study for Grade 9 will be based on the assumption that students will have had two years of French in Grades 7 and 8. The material studied in those two years will be at least the equivalent to the present Grade 9 course of study. Hence, something should be done now to guarantee that the present Public School pupils planning to take French in High School will not be completely discouraged when

HALIBURTON NEWS LETTER . . .

We had our first real snow storm here on Tuesday when about eight inches of snow fell. We are not prepared to say whether it will remain or not, but the weather at time of writing is quite mild with a bit of rain, and should the sun appear it may disappear.

The hunting season is fast drawing to a close and from different reports we believe that hunting in the Highlands of Haliburton was good. We have yet to hear of any hunting accidents in the County and hope that the area will be accident free.

We wish to congratulate the members of the congregation and the Rev. John Smith of Lakeside Baptist Church on the appearance of their place of worship. Lakeside Baptist Church has in our opinion always been a very attractive building, but its appear-

ance has been greatly enhanced by the new stonework which adorns the front of the church. When the floodlights are turned on at night it is surely a sight to behold.

We are sorry to learn that Mrs. Anna Jones is at present a patient in the Haliburton Red Cross Hospital. Mrs. Jones has not been enjoying too good of health of late but we hope that she will overcome this condition and enjoy a normal state of health again.

In reading accounts of Remembrance Day Services held in other centres we note that in many cases larger numbers of citizens took part than ever before. From our observation here this was not the case and it would seem that while some care to remember the majority prefer to forget. We realize that in years

past when the entire service took place at the Cenotaph which is located in just about the coldest spot in town, it was at times mighty uncomfortable, but now service for the main part is held in the fine comfortable auditorium of the Canadian Legion. Those who were present a year ago in many cases remarked the decreased attendance which no doubt was caused by hunting season, and the fact that Friday being a holiday many took the occasion to take advantage of the long weekend to go away. I may be a little pessimistic but I am afraid that the time is not too far off when November 11th will be just another day. The lack of respect for this occasion was amply demonstrated by the fact that even during the period when the two minutes of silence was being observed at the Cenotaph traffic continued to roll by unabated.

OBITUARY

ARVO RINNE

A well known and respected citizen in the person of Arvo Rinne passed away quite suddenly at the Red Cross Hospital, Haliburton on Wednesday, November 2, 1966. The deceased who was in his 62nd year had for some time been suffering from a heart condition.

The late Mr. Rinne was born in Finland on March 30, 1902, and came to Canada in the year of 1926. In the year 1928 he chose as his life partner the former Laimi Menimke who survives him. A short time after their marriage they moved to Haliburton and made this their permanent residence.

The deceased was a carpenter by trade and was an excellent workman, and when stricken with a heart ailment found it difficult to take things as easy as he should and this possibly shortened his life.

The funeral service which was in charge of the Rev. R. McCaw of Haliburton United Church took place at the residence of the deceased on the afternoon of November 4th, where friends and neighbours gathered to pay their last respects.

Left to mourn his loss besides his wife are three daughters, namely Laina (Mrs. J. Tyynela) of Vancouver, Aila (Mrs. Bill Morgan) of Ajax, Dorothy (Mrs. Stuart Baker) of Haliburton, and two sons, Bill and Rodney, both of Haliburton. Also surviving are nine grandchildren.

Pallbearers were Earl (Buck) Cowan, Arnold (Babe) Burke, Kenneth Billings, Mark Scheffee, Winnett Austin and Robert Brohm.

Interment was made in Evergreen Cemetery.

Huskies Win Two Games In A Row

After a stinging defeat a week earlier on their home ice, the Haliburton Huskies travelled to Bobcaygeon last Friday evening with revenge on their minds. With a terrific team effort they were not to be denied and returned home with a 3-2 win.

The Huskies outplayed the Ti-Cats noticeably but once again Joe Junkin in the Ti-Cat net staved off many sure goals. George Simmons tallied the winning counter with only two minutes remaining in the contest.

Haliburton opened the scoring in the first period when George Simmons got his first of two. The lead was short lived. A few minutes later Brian Campbell evened the game at one apiece.

There was no scoring in the second period but both teams played some fine combination hockey. Bobcaygeon had the edge in play in that frame.

The Ti-Cats went ahead in the third period after Sterling Bowsens scored their second goal. It seemed that the Huskies would suffer their second defeat at this point, only to have Neil Hewitt even the score with minutes remaining in the game. At the 18:00 minute mark Ron Stackhouse retrieved a loose puck in his own end and fed George Simmons a lead pass. Junkin advanced to his own blueline in hopes of reaching the puck first, but Simmons outskated him and shot the puck into the open net for the winning goal.

Saturday's game was not as exciting as Friday's and it was not as well played. From the first whistle it appeared that the Huskies would walk away with the contest, but as the game progressed the Huskies became increasingly overconfident and less effective in their play.

The first goal came at the 4:00 minute mark of the first period when Larry Sawyer scored. The assist went to Ron Stackhouse.

Lakefield opened the scoring in the second period when Crawford beat Martin on a goalmouth scramble. Mike Easton scored minutes later and before the period ended Ed Hunter scored to give Huskies a 3-1 lead.

Lakefield made the game more exciting in the third when they scored two fast goals to even the score. It was Murray Butt and Ray Clifford who counted for Lakefield. The game remained tied until the 18:00 minute mark when Stackhouse made a rink length rush, passed the puck to John Robinson, who in turn gave it to Maxwell who relayed it to Stackhouse and Ron made a mistake in depositing the puck in the Lakefield goal.

Township Of Glamorgan

Financial Statement - December 31, 1965

To the Ratepayers, Reeve and Council, of the Township of Glamorgan.

I have examined the books and records of the Township of Glamorgan for the year ended December 31, 1965 and have prepared the attached financial statements.

My examination included a detailed check of all banking transactions, a review of accounting procedures and a verification of the current tax roll as to total assessment and taxes charged thereon. All receipts for taxes for 1965 were checked to the roll. Receipts of tax arrears were vouched and a reconciliation with outstanding arrears attempted which indicated a significant discrepancy. The amount of the discrepancy has not been determined finally because of lack of records available to establish in detail arrears at January 1, 1965. Subsequent collection of arrears were checked to the trial balance but a verification of outstanding balances by direct confirmation from the taxpayers was not carried out.

The accounting and office procedures of the municipality require the attention of council to ensure a general improvement in this area. Council should consider providing assistance for the secretary-treasurer. Alterations to improve the office facilities would also be beneficial.

It is noted that no insurance coverage has been provided on the tractor-loader purchased during the year.

Subject to the qualifications concerning confirmation of taxes receivable and the amount of tax arrears as commented on in the foregoing paragraphs, I hereby report that in my opinion:

- (1) The financial transactions which have come under my notice have been within the powers of the municipality.
- (2) The audit has been conducted in accordance with the instructions of the Department of Municipal Affairs.
- (3) The financial statements present fairly the financial position of the municipality as at December 31, 1965 and the results of its operations for the year ended on that date.

Let me explain ... Confederation Life's disability benefit

Time off from work, through disability, is no laugh. In fact it's downright unpleasant. There are mounting bills for medical services and medicine, worries over the cost of day-to-day living without an income, and uncertainty about the future. At a time like this, you need a special kind of help - financial. With a Confederation Life Disability benefit you can replace part of your lost earning power. For more complete information on this, and other Confederation Life policies, telephone me or mail the coupon. I will welcome the opportunity to talk them over with you, in your home or office.

SUGAR AND SPICE

"LORD, HELP ME"

Ancient Romans used to throw Christians to the lions. Modern Canadians throw lions to the Christians. As lions are somewhat scarce in this country, they often have to resort to lambs. This is known as Layman's Sunday.

Last Sunday I was the sacrificial lamb. I preached a sermon. You think those early Christians had a tough time with the lions?

Layman's Sunday is a special day. Usually, I look forward to it. It's a chance to get into the choir, with the other laymen, and belt out the hymns, serene in the knowledge that most of the others, too, are off-key.

Normally, I pray fairly fluently, asking for all sorts of ridiculous things, like a kid writing a letter to Santa Claus. Last Sunday, before I mounted to the pulpit, which is 84-feet high, all that would come out, over and over, was, "Lord, help me!"

What is a layman, anyway? The clerical definition is: "One not in holy orders." The worldly definition is, "One who is not an expert." I was fully qualified. A clear case of the blind leading those with 20-20 vision.

Let's have a look at the typical layman. Usually, he's an ordinary soul, a bit baffled by the trials of the twentieth century: kids, wife, job and society.

The kids are expected to bloom like roses, but they inevitably have thorns. The wife is supposed to be a gentle, for-bearing creature, a good mom and a faithful help-mate. Too often, she is an old harpy.

The job is supposed to be a vocation, of which the layman is proud because of his particular skills. Too often it is fraught with terrible tensions. Society is supposed to be a well-oiled machine which enables him to live with grace, ease and dignity. Too often, he finds the only way he can stand the machine is to keep himself well-oiled.

Upper class, or Grade Three laymen, are the types who are treasurers, elders, fund-raisers, that sort of thing. They don't have to be religious. They merely have to raise the loot, pay the bills, pare the expenses, and fire the preacher when he becomes

intolerable. They rather enjoy it. Down one in the hierarchy is the Grade Two layman. He's the earnest soul who gets stuck with the Scout Group or the Bible class or chaperoning the Young People's Dance. He's usually reasonably religious, but definitely not an executive type, or need be Grade Three.

Farther down is the holy Grade One layman. He looks on the church as a slightly snobby service club, but is willing to drive some kids to a youth conference, or tell his wife to make scalloped potatoes for the laymen's supper, or serve ice-cream at the Sunday School picnic. Apt to be a keen courier or golfer, but always cheerful. His philosophy is, "I'll leave the church alone if they'll leave me alone."

And at the bottom of the heap, striving with all his might to remain there, and out of sight, is the Grade 0 layman. He takes up the collection, bumblingly, twice a year. He falls behind with his financial pledge. He crosses the street and looks in a hardware store window every time he sees the minister approaching. And he is too stupid, or too cowardly, to laugh heartily and shout, "Don't be ridiculous!", when the latter has asked him to preach the sermon on Layman's Sunday.

As a Grade 0, my admiration of the chaps on the higher echelons is unbounded. But the guy I really envy is the layman of 2,000-odd years ago.

What a snap he had. He turned up at the service with his offering, a loaf of bread or a couple of onions, worshipped, then went home and counted his sheep, his daughters and his blessings. No golf, no summer cottage, no ski hills, no television. Nothing to do for the rest of the day but meditate upon what a good layman he was.

It's a little tougher today. But we're tougher people. Anyone who can stand up to television commercials, the price of beef, and the threat of instant annihilation can cope with anything.

Well, we can do the chores, anyway. Let the rector handle the alikes and the infirm and the broken homes and the mentally ill. After all, that's what he's paid for. And in some cases, he makes more than a truck driver.

Snowdon Council

The regular meeting of Snowdon Township Council was held on November 2, 1966 with the Reeve and all members of Council present.

The minutes of the previous meeting were read, and moved by L. Switzer, seconded by R. J. Milburn that they be adopted as read.

Moved by Ralph Young, seconded by R. J. Milburn that our winter Sand be purchased from E. H. Peacock at 10c per yard.

Moved by L. Switzer, seconded by R. J. Vick that the Clerk inquire by letter regarding the purchase or lease of a parcel of Crown land for use by the township as a municipal dump, such land being in the Irondale area.

Moved by R. J. Vick, seconded by L. Switzer that necessary planks be placed in the Conway Bridge to make it safe.

Moved by Ralph Young, seconded by R. J. Milburn that the Road Account as presented be approved for payment.

Moved by L. Switzer, seconded by R. J. Vick that this meeting be adjourned until the 7th day of December at 7:30 p.m.

Letters to the Editor

November 11, 1966.

The Editor,
Haliburton County Echo,
Haliburton, Ont.

Dear Sir:

I was very happy to note the item in a recent edition of your paper relating to the condition of the Memorial entrance to the grounds of St. Peter's Church, Boskung. Mr. Leonard Stinson and Mr. Robert Davies deserve great credit for bringing this matter in focus.

Some may suggest a programme of demolition, this is not the answer. In our civilization we cannot and would not destroy to re-build. Some programme of repair must be undertaken, the sooner the better.

May I suggest a public meeting of all interested parties to make some plan for further procedure, this of course would be followed by a financial appeal which should be well received, and have a generous response.

I feel sure many outside the immediate vicinity would be pleased to contribute.

Wishing the Wardens every success.

Sincerely,

Clayton P. Rogers,

Elect Chairman Of Board Of Governors For College Of Applied Arts & Technology

Father Maloney was elected Chairman of the Board of Governors for the new College of Applied Arts and Technology for Area 3 at the first meeting of the Board on Wednesday, November 9th, 1966.

The inaugural meeting of the Board was called by the Council of Regents for Colleges of Applied Arts and Technology.

Dr. H. H. Kerr, Chairman of the Council, and D. B. Sutherland, Executive Secretary, outlined to members of the new Board their duties and responsibilities, as set out in the Act and Regulations setting up the Colleges.

Mr. N. A. Sisco, Director of Applied Arts and Technology Branch of the Department of Education, discussed with the Board the educational goals which the Colleges have been designed to meet.

The first problem facing the new Board is the selection of a name for the College. Once the name has been officially approved by the Council of Regents and the Minister of Education, the

Honourable William G. Davis, the Board will be legally incorporated.

The new edition of the pamphlet containing the basic document concerning the new Colleges was released. The pamphlet includes a statement of the philosophy of the new Colleges as outlined by the Minister of Education, Mr. Davis; the Act setting up the Colleges; and the regulations detailing the responsibilities of the Board of Governors of a College.

Basically, the latter include: determining the general and special educational needs the College should meet; supervising construction of new College buildings; and staffing and operating the new institution.

Also present at the meeting was Mr. W. F. McMullen, member of the Council of Regents.

Council of Regents appointees are: Judge J. C. Anderson, Belleville; Hon. L. M. Frost, Lindsay; Stewart Daniel, Peterborough; Dr. T. H. B. Symons, Peterborough; Mrs. G. Spence Wonnacott, Belleville; Henry Nokes, Peterborough; Verne Graham, Minden.

J.F.K. Branch Hold Monthly Meeting

The regular monthly meeting of the J.F.K. Branch of the Haliburton Association for the Mentally Retarded met at the home of Mrs. Sally Mather on Monday, November 7th.

Eight members were present to enjoy an interesting two hours together. Lively discussions were held concerning the problems on hand. A distribution of materials followed. These will be made up into attractive articles to be offered for sale at the coming Christmas Bazaar. Raffle tickets were issued to promote the disposal of the beautiful Christmas Doll donated by our good friend, Mrs. Harrison of Toronto.

The members reached a decision to make available, through the year, articles suitable as gifts for birthdays, showers, etc.

Mrs. M. Maharrie, representing the Harcourt Ladies Committee, was warmly welcomed by the group. Mrs. Maharrie conveyed good wishes from her associates and contributed a donation representing the proceeds of a Card Party organized in aid of the Mentally Retarded.

At the conclusion of the meeting a prayer was offered by our President, Mrs. Dorothy Rivers.

Albert Thorne - Betty Upton Exchange Vows At Carnarvon United Church

Bronze and yellow mums with white bows on the pews decorated Carnarvon Zion United Church on October 8, 1966 at 3:15 p.m. for the marriage of Betty Marie, daughter of Mr. and Mrs. Everett Upton of Eagle Lake, to Albert James Thorne, son of Mr. and Mrs. Cecil Thorne of Newfoundland.

Rev. James E. Cargo officiated at the double ring ceremony. The music was played by Mrs. Robert Gorrie of Carnarvon and Mr. Earl Cooper played the bagpipes.

Given in marriage by her father, the bride looked lovely in a toe-length slim gown in peau de soie, portrait neckline, elbow-sleeves finished with a ruffle. The empire waist was trimmed with braid, a panel fell from the shoulders to hem, finished with a tailored bow. A self material rose florette headpiece trimmed with seeds of pearls and crystal held her four-tiered scalloped shoulder length bouffant veil. She carried a bouquet of red roses.

Miss Terry Cooper, cousin of the bride, was maid of honour. Bridesmaids were Mrs. Jack Upton of Oshawa, sister-in-law of the bride, and Miss Stephanie

Pritchard of Minden, friend of the bride.

They were identically gowned in dresses with empire waistlines of dark green velvet with elbow-length sleeves and rounded neckline which topped a toe-length slim skirt of emerald green peau de soie. Their headpieces were a dark green velvet bow which held a two-tiered scalloped veil, and they carried bouquets of bronze and yellow mums set amid a foliage of yellow wheat and wore a pearl drop necklace, gift of the bride.

The best man was Mr. Bill Burden of Haliburton, cousin of the groom. Ushers were Mr. Jack Upton of Oshawa, the bride's brother, and Dave Rutherford of Hamilton, a friend of the groom.

At the reception at Birch Point Lodge the bride's mother received the guests wearing a burgundy brocade peau de soie dress and jacket with white and black accessories and an orchid corsage. The groom's aunt assisted wearing a plum lace and crepe dress with black accessories and corsage of white mums. During the reception Mr. James Cooper, uncle of the bride, acted as M.C.

Mr. Earl Cooper played the pipes at the church, before the reception, and piped the bridal party into the Arena where a dance was held.

The bride's going away outfit was a cinnamon brown suit with white and brown accessories and a corsage of yellow and bronze mums.

On their return the newlyweds will reside in Grimsby.

Out of town guests were present from Toronto, Thessalon, Penetang, Grimsby, Beamsville, Kingston, Oshawa, Hamilton and Port Hope.

Prior to the wedding the bride was entertained at showers by friends at the Maple Lake United Church, at the homes of Mrs. John Crabbe and Mrs. James Cooper, and at Beamsville.

CARNARVON

Mr. Ross Hussey of Toronto spent Sunday and Monday with his mother, Mrs. A. Hussey and Ralph Hussey.

Mr. and Mrs. Al Miscio and children of Hamilton were weekend visitors of his parents, Mr. and Mrs. Amos Miscio.

Mrs. Ruby Walker of Toronto spent last week with Mrs. Marjorie Cowan. During the week she visited with Mr. and Mrs. Benny Harrison.

Mr. and Mrs. Tom Rogers and sons of Sarnia were weekend visitors of Mr. and Mrs. Alex Hewitt and visited with Mr. and Mrs. C. P. Rogers in Minden. Mr. Rogers, we are sorry to hear, is still on the sick list.

Mr. and Mrs. Ross Harrison were in Toronto last Thursday where Mrs. Harrison underwent some tests at St. Michael's Hospital.

Mr. and Mrs. Walter Harper of Cobourg and son Bob spent the weekend at Moorefield and visited with Mr. and Mrs. C. P. Rogers in Minden.

Mr. and Mrs. Dave Mitchell of Toronto were weekend visitors of Mr. and Mrs. Max McKay.

Mr. and Mrs. M. B. Windsor attended the wedding of his nephew in Trenton over the weekend and visited with relatives in the area.

Mrs. Lorne Moore of Lindsay stayed with Mrs. Bunn while their husbands were hunting.

Mrs. Jim Fairfield celebrated her 88th birthday by visiting with Mrs. Ed Harrison, Mrs. Annie Johnson of Haliburton is also visiting Mrs. Harrison.

Mr. and Mrs. Bert Johnston of Huntsville called on relatives and friends on Sunday.

Mr. and Mrs. Syd Barnes and Timmie are away for a few days holiday.

Eight dedicated young ladies of Minden took over the service at Carnarvon United Church on Sunday in the form of a Folk Mass. Such songs as Kumbaya, Blowin' in the Wind, All My Trials Lord and We Shall Overcome were sung to organ and guitar music. No doubt this form of service was received with mixed feelings, although enjoyed by all. Let us remember the young people are worshipping Christ in young people's way. Their feelings are no less sincere.

Mr. and Mrs. Murray Burton of Brockville visited his parents, Mr. and Mrs. Hal Burton, over the weekend.

Miss June Harrison, Mrs. E. Nancarrow of Trenton, and Mrs. DeVitt of Cavan spent Friday with the Bert Harrisons, and Mr. and Mrs. Verne Harrison and son of Peterborough spent Saturday with them.

Mrs. Bob Gorrie was in Toronto for a few days for medical tests.

IMPORTANT NOTICE TO MOTORISTS

Effective January 1, 1967, a passenger in a motor vehicle, who is not paying a fare for passage, will have the right to claim damages from the driver and/or owner of the vehicle if he's injured in an accident caused by the driver's gross negligence. (There will be no change in the law affecting fare-paying passengers, who will continue to have the right to claim damages.)

The insurance industry advises that almost all automobile liability insurance policies now in effect include coverage against this new risk. However, all motor vehicle owners, and particularly motorcycle owners, are urged to check their policies to make sure that passenger hazard coverage is included. If there is any doubt you should check with your automobile insurance agent.

News From Lions Club Of Kinmount And Lions Club Of Coboconk Lion's International's Peace Essay Contest

The Contest is open to all young people who are 14 years of age and under 22 as of January 15, 1967.

The Contest offers a grand prize of \$25,000 in the form of an educational and/or career assistance grant to the world winner. A grand total of \$50,000 in awards will be made. In addition to the \$25,000 first prize, eight world division semi-finalist prizes of \$1,000 each will be given and these eight semi-finalists will also get travel expenses to Chicago, Illinois in July, 1967. At that time, the first prize winner will be chosen from the eight. Also, more than 20,000 local, district and multiple district awards will be made.

The Kinmount and Coboconk Lions Club's winners will be advancing up the ladder to that prize.

Both these Clubs are giving \$25. - \$15. - \$10. in prizes to their first, second and third place contestants.

The Contest, announced at the 49th Annual Lions Convention in New York, by President Edward M. Lindsey, of Lawrenceburg, Tenn., is one of the highlights of the 50th Anniversary of the world's largest service club organization.

The world-wide contest, open to contestants sponsored by Lions' more than 20,000 clubs throughout the world, is the largest Peace Essay Contest in the world.

If successful at the multiple district level, the winner will advance to a world wide division and an opportunity for the grand prize.

"Anyone who wants the rules and further details of the contest should contact - Hugh McNamara of Kinmount Lions Club, or Dr. R. E. Jamieson of Coboconk Lions Club.

Lions International, with more than 800,000 members in more than 130 countries in the free world, is the largest service club organization in the world.

"I Like Listening"

By ROSS LESLIE

Sponsored as a public service
by Glenmount Lodge

Hi! We're back with episode-chapter-installment number two of "I Like Listening" - which reminds me of soap operas - which reminds me of ZNS in Nassau, which has three of 'em. Our friend Noel Hamilton, there, assures me that if one rolls the wrong disk, it guarantees an avalanche of angry mail pouring in from all over the Banamas. By the way you can pick up ZNS quite easily in the Miami area . . . it's 1570 on your AM band. You can catch a locally aired soap opera - "The Archers" (courtesy of the BBC, if you'll pardon the expression) on CBC radio, Monday through Friday at 1140 AM. Despite views to the contrary, quite a few radio dramas are still being produced. As a matter of fact, I've helped do a couple at KPFA (Berkeley-San Francisco, Pacific Radio). Quite a few of you teener readers in Muskoka and Haliburton are familiar with "Chickenman," which is a comedy-farce serial broadcast on about 40 radio stations, including the successful Music-For-The-Meatheads WKBW in Buffalo (dial 1520). I consider "Chickenman" to be good, creative and engaging radio . . . there should be more of this stuff, I think. If you feel that your radio listenership is being bothered too much by commercials, then you might try CJBC on for size. It has a few commercials - but they are all in the French language (880 Kc.) By the way BBG regulations state that a radio station cannot broadcast more than 1,500 minutes of commercial messages per week, and if it's a daytimer (such as CHIN, Toronto or CFTJ, Galt), the allowance is for 1,000 minutes. The phoney-but-fascinating radio business contains quite a few broadcasters who are not exactly on the up-and-up, so don't expect even lip service being paid to BBG, by some hucksters. By the way in our next installment of "I Like Listening", we'll relate some of the headaches faced by the radio advertiser. If you have a shortwave receiver, try to catch "Moscow Mailbag" (broadcast twice on Saturday night, and twice on Sunday night). Listener mail from Canada and the USA is answered. This powerful North American Service of Radio Moscow transmitter is located in East Germany and pumps out one million watts output - which is very considerable particularly in the shortwave spectrum (or any spectrum, for that matter). Incidentally, this propaganda service has slicker production values than does its opposite, the Voice of America . . . that's largely because the entire programming of Radio Moscow is on tape, including the newscasts. Try Radio Moscow on for size. Speaking again of postal things, I trust that femme announcer Ellen Stuart can arrange to appear with us on a little quickie show dealing with postal problems and The National Committee For The Study and Improvement of Canada's Postal System . . . some of you will remember hearing Ellen last year, when she was on the staff of CFOR, Orillia. I hope you folks are "prepared" for a postal strike. I know a few tricks to keep my letters and packages still moving. See you next week, same time, same station!

Mail Early

LETTERS CARDS PARCELS

Gift Parcels for Overseas destination should be prepared with the greatest of care. Heavier volumes of mail mean that extra pressures develop in mail handling equipment, and therefore, during the Christmas Mailing period, every effort should be made to protect your gifts from damage and possible loss.

In your own interest, you should spend a little additional time and effort on mail preparation, so that parcels containing gifts and greetings will be received in better condition and on time for Christmas.

Your Postmaster will assist you.

Card of Thanks

I would like to take this opportunity to thank all those who sent cards, flowers and gifts while I was a patient in the Civic Hospital in Peterborough. Mrs. Francis LaPorte.

I would like to extend a sincere thank you to my friends and relatives for the cards, letters, phone calls, visits, flowers and other gifts I received while I was in the hospital, and also to those who arranged for and paid special nurses. A thank you to the staff of Ross Memorial Hospital and to Dr. Wood, Dr. Arnup and Dr. Watson. Special thanks to Dr. Good. Mabel D. Hewitt.

The family of the late Arvo Rinne wish to express their sincere thanks and appreciation to friends and neighbours for their many acts of kindness and expressions of sympathy shown to us during our recent bereavement in the loss of a dear husband and father. Our thanks also to Dr. Good, nurses and staff of the Haliburton Red Cross Hospital, to Rev. R. McCaw and the John Welch and Son Funeral Home.

IN MEMORIAM

SWITZER — In loving memory of a dear mother and grandmother, Gyulia Switzer, who passed away November 12, 1963. Oft we think of you dear mother, And our hearts are filled with pain;

Oh this earth would be a heaven Could we hear your voice again. Three years have swiftly passed away But still we don't forget, For in the hearts that loved you best

Your memory lingers yet. —Sadly missed but lovingly remembered by daughter Cora, son-in-law Ralph and Grandchildren.

THICKET — In fond memory of a dear friend, George Thicket, who passed away on November 5, 1963.

We will always remember the way he looked, The way he spoke and smiled; The little things he said and did, Are with us all the while.

For down the lane of memories The light is never dim, Until the stars forget to shine We will remember him.

—Sadly missed and always remembered by Mr. and Mrs. Clare Sawyer and Family.

VENTRESS — In loving memory of a dear husband, Curtis E. Ventress, who passed away November 16, 1965.

I little knew when I woke that morn

The sorrow the day would bring,

The call was sudden, the shock severe

To part with one I loved so dear.

—Sadly missed by wife Myrtle.

VENTRESS — In loving memory of a dear father and grandfather, Curtis E. Ventress, who passed away November 16, 1965. The month of November again is here,

To us the saddest month of the year;

The blow was hard, the shock severe,

To part with one we loved so dear.

With tender love and deep regret We who love you Dad, will never forget.

—Sadly missed by Family.

GOODERHAM U.C.W.

The Gooderham U.C.W. met at the home of Mrs. J. Pickens on Wednesday afternoon, Nov. 2nd. The meeting opened with the Call to Worship and prayer followed by the Lord's Prayer, given by Mrs. Willard Billings who was in charge due to the absence of the President, Mrs. Gordon Barr, ill in the hospital at Toronto.

Mrs. Pickens read Psalm 46. Mrs. Lorne Hunter took the meditation for the afternoon from Psalm 46. Perfect trust and perfect peace, in which we find our ground of hope for the future in addition to our reason for gratitude. Prayer closed our devotional period.

Business followed and then a social time, bringing an enjoyable afternoon to a close.

EXECUTIVE OF LINDSAY PRESBYTERIAL U.C.W. MEET

About 35 women met recently at Queen Street United Church, Lindsay, members of Lindsay Presbyterian U.C.W. and Presidents. Plans were discussed for the coming year's work.

An inspiring worship service was led by Mrs. Harlan Kelly of Fenelon Falls. Mrs. Edmund Ruth, President of Lindsay Presbyterian U.C.W., presided over the remainder of the meeting.

Reports were heard from Miss Olive Geach, Treasurer; Miss Vina Neal, Chairman of Finance;

Mrs. Ralph Smith, Secretary of Supply and Welfare; Mrs. Earl Spence, Chairman of Leadership and Development; and Mrs. Ellsworth Hargrave, Chairman of Nominations Committee.

Dates to remember and make note of: Lindsay Presbyterian U.C.W. Annual Meeting at Cambridge Street United Church, Lindsay - January 25, 1967; Conference Annual U.C.W. Meeting at St. Andrew's United Church, Peterborough - March 7 and 8; Regional Conference, Kemptonville - June 16, 17, 18; Seminar for Leadership Training at Elgin Lodge - September 16, 17, 18. Theme "A Witnessing Christian in Centennial Year".

1967 Fall Rallies: Region 1, Valente, Chairman Mrs. Wesley Stokes; Region 2, Cannington, Chairman Mrs. Howard Campbell; Region 3, Zion, Fenelon, Chairman Mrs. John Davie; Region 4, Burnt River, Chairman Mrs. Fred Palmer; Region 5, Janetville, Chairman Mrs. Thomas Smith; Region 6, Ingoldsby, Chairman Mrs. Percy Brintnell.

It was decided on motion that the material for Overseas Relief Bales be sent from each church, and for Home Missions to be sent by Supply Secretary.

Mrs. Edmund Ruth led a discussion on "Programme". Different ideas were presented and discussed.

The meeting closed with prayer by the President.

World Congress On Evangelism Closes

BERLIN (Special) — The 1,200 delegates marched from the final session of the world congress on Evangelism here, November 4, aware that no world-famous preacher, no highly developed organization, and no special method alone can proclaim the gospel to every person.

Evangelist Billy Graham had turned their thoughts to their personal responsibility when he asked in the closing message, "Is there a stain on your altar?" He pleaded for personal rededication.

Congress Chairman Carl F. H. Henry had said earlier that the remarks of an Asian delegate summed up the personal factor: "Evangelism is still the proclamation of the gospel through me."

As the delegates followed the flags of their 100 nations out of the Kongresshalle to climax the 10-day event, they saw for the last time the ticking-clock display which burned into their memory the fact the world's population had increased nearly one million since the Congress opened.

The population gain is 10 times faster than converts to Christ are being won, the exhibit warned.

On the final morning of the Congress, delegates applauded a 1,000-word statement which addressed itself to each of the three parts of the Congress theme, "One Race, One Gospel, One Task."

"In the name of Scripture and of Jesus Christ we condemn racialism wherever it appears," asserted the statement, approved by the Congress's sponsoring committee. "We ask forgiveness for our past sins in refusing to recognize the clear command of God to love our fellowmen with a love that transcends every human barrier and prejudice."

"We reject all modern theology and criticism that refuses to bring itself under the divine authority of Holy Scripture, and all traditionalism which weakens that authority by adding to the Word of God," the statement affirmed on "One Gospel."

What To Do About Flu?

Ahead lie the months 'flu flourishes at the expense of all too many victims. According to a pamphlet put out by the Canadian Tuberculosis Association, INFLUENZA - THE FACTS, children ten years of age and under are more open to attack than others but nobody is safe - as hundreds of thousands learn every year.

What can you do about flu? If you want to prevent it, the pamphlet states the best thing to do is be vaccinated. So far vaccination is no hard-and-fast guarantee, because new strains of 'flu virus may get past the guard but chances of escape are good. The Surgeon General of the United States has gone on record as saying that he believed that 60,000 out of 86,000 influenza deaths which occurred in this country in three years could have been prevented by vaccination. That is nearly three out of four.

The leaflet tells about causes of 'flu, who is in most danger from it, how it damages. It also makes six suggestions about how to cope if the virus does attack. Here are the suggestions:

1. Call your Doctor.
2. Go to bed. Even if your aches and pains and sore throat turn out to be nothing but a cold, bed and rest will help you get well sooner.
3. Keep warm and drink plenty of liquids if your Doctor can't see you right away. A wash cloth wrung out of cold water and placed on your forehead may relieve your fever.
4. Do not take medicine your Doctor does not prescribe.
5. Stay in bed until the Doctor says you can get up. He will probably tell you to stay in bed for at least two days after the fever is gone.
6. Avoid exposure to other sicknesses after you are out of bed. Flu lowers your resistance.

The leaflet is free and may be obtained from The Haliburton County and Tuberculosis and Health Association, the association which sends you Christmas Seals. Phone Minden 517R20 or write R.R. 1, Minden, Ontario, Mrs. Kenneth Banton, Secretary.

coming to Grade 9. Can one imagine the enthusiasm to be had in following a course for which the first two preparatory years are lacking?

Are we not going to give our students the opportunity of being on equal basis with students entering other High Schools in the province? This indeed should be given serious consideration.

Paul J. Chevrier,
Head of French Department,
Haliburton Highlands
Secondary School.

Haliburton, Ontario,
November 12, 1966.

Dear Sir:

In reply to Pastor Noel McNeil's letter of November 9th we would like to compliment him on his interest and concern regarding the introduction of French classes to our Elementary School system.

The Curriculum Bulletin 1-15A (8) referred to was released on September 16, 1966 and was received by Inspectors, Principals, and Secretaries in late October. Our Board members will officially receive the information of this Bulletin at the November meeting.

In 1968, the Grade 9 stepped up French Course will be optional as is the 1966 and 1967 course offered in Grades 7 and 8. However, when the new course in French is introduced in our Schools in Grades 7, 8 and 9, new Grades 10 to 13 courses of study will subsequently appear.

The members of the Dysart T.S.A. Board are anxious that our local standard of education compare to Provincial level. This new optional proposal to teach French in Grades 7 and 8 shall be dealt with by the Board.

Yours truly,
Dysart Township
School Area Board.
